Re: Performance Bond Release

Borough of Wood-Ridge, Bergen County, New Jersey  
WRIDSPL07.011

Dear Mr. Clemente:

Pursuant to a request from Applicant for the release of the performance guarantees posted for the referenced property, please be advised that we have reviewed the request and are reporting herein.

The original performance guarantee posted by the Applicant was for a total of \$368,427. Based upon recent site observations conducted by this office, as well as those coordinated with the Borough's Building Department, the noted site improvements have been completed. To that end, Neglia Engineering recommends the release of the performance guarantee, subject to the posting of a maintenance guarantee in accordance with the New Jersey Municipal Land Use Law. This maintenance guarantee should be for 15% of the original performance guarantee, or \$55,264.05, for a two year period.

All bonds or similar documents must be reviewed and approved by the Borough Attorney as to form and content. By copy of this letter, we are requesting the Governing Body to place this bond release on the agenda, for action, at the next scheduled Council meeting.

In addition, we have attached a copy of a letter from John Gahwyler of NJDOT for the Borough's files. In this letter, Mr. Gahwyler accepts the improvements constructed in the State's right-of-way on behalf of NJDOT.

We trust you will find the above in order. Should you have any questions, please do not hesitate to contact this office.
