3. The undersigned have made such examination of the value and proper assessment of the property and have obtained such appraisals, analysis and information with respect to the valuation and assessment of the property as they deem necessary and appropriate for the purpose of enabling them to enter into the Stipulation. The assessor of the taxing district has been consulted by the attorney for the taxing district with respect to this settlement and has concurred.

4. Based upon the foregoing, the undersigned represent to the Court that the above settlement will result in an assessment at the fair assessable value of the property consistent with assessing practices generally applicable in the taxing district as required by law.

5. Statutory interest, pursuant to N.J.S.A. 54:3-27.2, having been waived by taxpayer, shall not be paid.

6. As an intrinsic part of this settlement, it is agreed that the Assessor shall set the initial 2013 assessment at the same assessment as the 2012 assessment of the above referenced property and the properties set forth on Exhibit A attached in the total amount of \$56,250,000. In the event that the Assessor complies with this agreement, taxpayer may file an appeal on those properties only for the purpose of obtaining a judgment affirming the assessments to which municipality will consent. In the event the Assessor fails to so assess the properties in the tax list for 2013, taxpayer may file a Complaint for correction of errors or otherwise to reduce the assessments to the agreed amount and the Municipality will consent to the entry of a judgment to effectuate the agreement to fix the 2013 assessments as set forth above.

7. It is expressly understood that all refunds which may become due as a result of the judgment(s) to be entered shall be made payable to "WOODRIDGE DEVELOPMENT LLC" and received by Skoloff & Wolfe, P.C., 293 Eisenhower Parkway, Livingston, New Jersey 07039 within 60 days after entry of judgment, except as hereinafter expressly provided. Plaintiff expressly defers its right to receive any portion of the tax saving resulting from the judgments to be entered pursuant to this stipulation so long as each of the properties referenced in paragraph 6 continues to have an assessment that is equal to or less than the agreed 2013 assessment. Plaintiff further agrees that, in the event of a sale or sales of any portion(s) of such property, to defer collection of such tax saving by refund or credit and to proportionately reduce the amount of such saving provided the \$56,250,000 assessment of these 2,365,308 ft.<sup>2</sup> is reduced proportionately on a square foot basis between the original square foot area prior to such sale or sales and the square foot area remaining after such sale(s), so that the assessment per square foot remains the same. At such time as Plaintiff has sold all of the

property, if the refund deferral is still in effect, Plaintiff shall no longer be entitled to any refund. In the event that the property is taxed on an assessment in excess of the agreed amount or any appropriately proportional share thereof, Plaintiff shall receive the tax saving (or appropriately proportional share thereof) as a result of this stipulation and the judgment(s) to be entered within 60 days from date of demand for same being submitted to the Tax Collector and Municipal Clerk.

8. Except as provided in Paragraph 6 above, it is further understood and agreed that so long as the assessments do not exceed \$56,250,000 or the appropriate portion thereof as reduced pursuant hereto following the conveyance(s) of any such properties (or portions thereof), Plaintiff expressly waives its right to initiate an appeal of such assessments; however, Plaintiff reserves the right to counterclaim in the event of an appeal.

9. It is expressly understood and agreed that nothing in this Stipulation constitutes a waiver by the municipality or the tax assessor of the authority to assess the property as provided by the laws of New Jersey.

10. All provisions of this settlement not contained within the judgment shall survive entry of judgment.
