Councilman Romero stated Shade Tree is progressing nicely.

REPORTS OF OFFICERS:

Mayor Sarlo, seeing residents in the audience regarding speeding on Union Avenue, asked Administrator Eilert to give his report.

Administrator Eilert has met with the Mayor, Borough Engineer and Police Chief regarding several issues. First issue discussed was the truck traffic which has increased recently. The Borough has put up "no truck traffic" signs on Donna Ricker Drive, Floral Avenue and Union Avenue. A series of bollards were also put up along Donna Ricker Drive and Union Avenue to make it difficult for large tractor trailers to manage their turns. Mr. Eilert has instructed DPW workers to contact the police desk when they see any trucks on any of these streets so the situation could be addressed. Mr. Eilert stated he has contacted the administrator of Carlstadt to ask if he could send a notice to the businesses in that area that they are not allowed to exit through Donna Ricker Drive.

Steven & Mary Ondrof of 2 Donna Drive stated that the trucks are knocking over the stop sign at the corner of Donna and Union Avenue as they are making the turn. Mr. Eilert stated that he will speak to the business directly across from them again as he has had several conversations with them regarding this issue already. Mayor Sarlo stated that Mr. Eilert will again speak to Carlstadt as well as have an increased police presence in that area. Mr. Eilert is also considering a message trailer in that area as well.

Mr. Eilert stated the other issue that he has been addressing is the speeding along Union Avenue. Even with all the signage that has been added, the issue of speeding remains and has asked the borough engineer to inspect these areas again. More specifically to analyze traffic going up and down the hill. Mr. Eilert is looking at the probability of putting a stop sign going down the hill at

14th Street which will make that intersection a 3 way stop. Once survey is complete, the situation will be addressed and ordinances adopted accordingly.
