FIRST HEARING OF CITIZENS:

Mayor Sarlo stated that the Governing Body will not respond to comments or statements on social media sites. Mayor asked that if residents would like an issue addressed, that they reach out to the governing body so it can be addressed properly. He stated that the governing body will not respond to social media comments. He went on to discuss that such responses are subject to OPRA and will also open the resident up to same. Mayor Sarlo stated the blue line showing support for the police department will be painted upon the completion of the road repaving project from Hackensack Street to Valley Boulevard along Union Avenue.

Mayor Sarlo declared the Hearing of Citizens to be open. Anyone wishing to speak please come to the microphone in front of the room and state your name and address. Please speak clearly into the microphone.

Bonnie Taylor of 64 Wood-Ridge Street thanked Mayor for making an official statement regarding the blue line. Ms. Taylor stated her appreciation for the participants of social media as it does provide transparency and opens dialog among residents.

Maureen Herman of 314 Innes Road raised the issue of problems with people parking all day and taking the bus. This makes the street very narrow for passing traffic and emergency vehicles. She believes part of the issue is the yellow line near the service station was not repainted properly after the paving. Administrator Eilert stated that the Borough is aware of the problem and has been looking into the matter. Mr. Eilert stated they may be looking into possibly making one side of the street parking only to assist with the flow of traffic. Ms. Herman asked if parking permits for certain streets would be allowed. Mayor stated he would have the engineer and police take a look at the area. Ms. Herman explained her other issue was regarding bad blood between the residents of Wesmont and those who reside outside Wesmont. She stated the comments on social media are bordering on racism and harassment. She feels that it is affecting the children and asked if the Council would be able to step in. Mayor Sarlo responded that we all wish we could overcome racism as a country. He explained all the improvements that have been done to Wood-Ridge because of the Wesmont Development. Ms. Herman asked if the Council could hold a town meeting to address these concerns. Mayor Sarlo replied that he would be happy to help in any way he could but felt that those individuals who were partaking in such discussions were likely to not attend.

Councilman Altamura pointed out that the issue of the sirens that they hear coming from Wesmont are because the fire department is automatically dispatched when a smoke alarm goes off so they are actually fire responses to same and not police sirens.

Bonnie Taylor of 64 Wood-Ridge Street asked Councilman Marino why he was not at the last few board of education meetings as it would be helpful to have council representation at the meetings. Councilman Marino stated that he was at the last meeting and did not see Ms. Taylor.

Seeing none and hearing none further, the Mayor declared the Hearing of Citizens to be closed.

CONSENT AGENDA:

All matters listed below are considered to be routine in nature and will be enacted by one motion. There will be no separate discussion of these items. If any discussion is desired by Council, that particular item will be removed from the Consent Agenda and will be considered separately.
