Minutes of the 1832nd Regular Meeting of January 16, 2019

FIRST HEARING OF CITIZENS:

Mayor Sarlo declared the Hearing of Citizens to be open.

Maureen Herman of 314 Innes Road asked if any thought would be given to alternate side of street parking on Innes Road near the gas station because during the day it is very difficult to pass due to people parking on both sides all day. Administrator Eilert stated that it is a situation that has been under review. Mayor Sarlo stated that it will be further evaluated. Administrator Eilert asked Ms. Herman if her next question was with regard to the ice at intersections and then explained for the general public. Due to the high water table because of the excessive rain this past year, many homes that were built on higher elevations and have sump pumps have been pumping out water into the street. With the excessive cold, it has caused freezing. The borough is looking into the matter.

Tom LaTourette of Don't Gas the Meadowlands Coalition asked the council to pass a resolution opposing a North Bergen power plant. Mayor Sarlo stated that the council will take it under advisement but Wood-Ridge does not weight in on other town matters.

Seeing no further citizens wishing to be heard, Mayor Sarlo declared the Hearing to be closed.

RESOLUTIONS/APPOINTMENTS VOTED SEPARATELY:
