REPORTS OF GOVERNING BODY:

Mayor Paul Sarlo / Ryan Connelly:

The Mayor and Council sponsored two new public events last year that were a tremendous success. We are pleased to announce that they will be held again this year. Wood-Ridge Town Day will be held on Sunday, June 9th on Valley Boulevard. The event will feature rides and activities for kids, food stands, live music by "The Nerds" and an outdoor adult beverage refreshment distribution station. The Wood-Ridge Food Truck Festival will be held on Sunday, October 6th on Wesmont Drive. The event will feature food truck vendors and live music by "The B-Street Band" and an outdoor adult beverage refreshment distribution station.

Council President Catherine Cassidy / Morgan Hargrave:

Library Board Liaison's Report - 2019

In 2018, the New Jersey voters approved a ballot referendum to establish a state grant program to fund renovations and expansions of public libraries. These grants could provide public libraries with grants that can cover as much as 50% of the costs of renovating or expanding. In anticipation of the state releasing the grant applications this summer, the Borough's architect is currently working on concept plans for possible renovations and expansions of the Wood-Ridge Memorial Library. New amenities being considered include a new Children's Room, a new research and computer room, a new education and public event room, expanded collection space, and upgraded heating, air conditioning and electric systems. We expect to have conceptual plans ready by June to present to the public.

Law, Land Use and Code Enforcement Chairman's Report - 2019

The Law, Land Use & Code Enforcement Committee has oversight over all legal matters including reviewing all municipal ordinances and maintaining the Council's By-Laws and the Borough's Code. In the interests of transparency, the Council By-Laws and all Borough Ordinances since 2010 are posted on the Borough website. In recent years we updated the Borough's Code Book and loaded it on the Borough Website. It is now in an interactive, user friendly format that allows residents to conduct searches of different topics and aspects of the Borough's Code. This Committee also has oversight over the building department and planning board. This is very important for protecting our quality of life by ensuring that building codes and property maintenance standards are maintained and enforced.

Councilman Ezio Altamura / Madison Christiana:

Police - Chief Korin reports the police department is working on the end of Police reaccreditation for the inspection which is scheduled for April 1st. The Borough of Wood-Ridge receives an insurance premium credit for maintaining police accreditation. The Church of the Assumption of our Blessed Lady would like to invite all residents to attend a special Mass on Sunday, May 19, 2019 at 9:30AM. This third annual Blue Mass would be to recognize the sacrifice and dedication of all those who serve in law enforcement both in Wood-Ridge and throughout our great state.

Recreation - The last Recreation Commission meeting was held on Wednesday, February 13, 2019. Throughout the month of February Heart Health Month was celebrated offering free yoga and health classes at the Civic Center and Senior Center. Registration for Spring Sports, Babe Ruth Baseball, Senior Babe Ruth Baseball, Girls Softball and Track & Field are currently being held. Field Grooming will be held in the month of March for both the Wood-Ridge High School Donna Ricker Field and the 14th Street Field. Coaches Certification will be held on March 23rd from 9am-12pm for new coaches and March 25th from 7-8 pm. for rechecks. This year's Little League Parade will be held on Saturday, April 6th. Recreation meetings are held monthly at borough hall.

Public Information / Events / Website Development - During the month of February the Borough of Wood-Ridge had a total of 6,575 page views. Citizens interested in receiving alerts and other information in the Borough of Wood-Ridge can log onto the borough's website and sign up on our Nixel system. For more information regarding the borough please visit www.niwoodridge.org.

Keep Wood-Ridge Beautiful - On Monday, April 15th, Ms. Joan Wilkinson from the Bergen County Board of Health will conduct her annual litter control and recycling program for all second grade students at CE Doyle School. This year's 20th annual Keep Wood-Ridge Beautiful day will be held at the Senior Center on Sunday, June 2nd beginning at 1PM with volunteers once again needed. A shredding service will also be offered to anyone who needs to dispose of papers and documents from 9AM to 1PM. Refreshments are served with many local businesses donating food and beverages.

Councilman Dominick Azzolini / Evan West:

Fire & Emergency Services Report - The Fire & Emergency Services Committee has oversight of the Wood-Ridge Fire Department, the Wood-Ridge Emergency Squad, the Fire Prevention Bureau and the Office of Emergency Management. The Fire Department is comprised of highly trained volunteers who answer the calls of their fellow Wood-Ridge residents. Their service saves the Borough taxpayers literally millions of dollars each year. The Department's apparatus consists of 1 ladder truck, 3 engines, 1 rescue truck and 2 ambulances. Last year we purchased a new ambulance to replace an ambulance that is 18 years old. We expect the new ambulance to be delivered by June. Over the last few years we have used grant money to purchase new radio communication equipment and new breathing equipment for the department. The Borough Council is committed to keeping the department well trained and well equipped in order to respond to the needs of the public.

Councilman Edward Marino / Isabella Nieves:

Finance Report - The Borough Finance Committee will introduce the 2019 Municipal Budget, at our council meeting on April 10th. This year's budget will be below the 3.5% maximum appropriations cap and below the 2% maximum tax levy cap. The Borough had a very strong financial performance last year in 2018. Our AA Bond Rating was reiterated by Standards & Poors and we finished the year with a surplus balance of over \$3,000,000. We continue to maintain a very strong balance sheet with relatively low debt. Major cost savings have come from reducing the number of employees through attrition, providing lower cost employee benefits, renegotiating union contracts to lower costs for future employees and implementing additional shared services with the Board of Education and other towns. Wood-Ridge uses shared services and/or joint purchasing for health and liability insurance, public health services, animal control, gasoline and diesel fuel, natural gas and electric, road salt, auto parts, 911 phone system, the police pistol range and vehicles and equipment of the Public Works, Police and Fire Departments.

Councilman Joseph DiMarco / Jake Colon:

Building & Grounds Chairman's Report - The Buildings & Grounds Committee has oversight over all Borough buildings, grounds, parks, playgrounds, athletic facilities, open space and right-of-ways. The Borough has been very aggressive in applying for grants to fund renovations to our buildings, parks and athletic fields. In the last 10 years we have received over \$2,000,000 in grants to renovate public parks, playgrounds, athletic fields and buildings. In recent years, all 3 of our athletic fields have received been renovated, our playgrounds at Veterans Park on Valley Boulevard and Kohr Park on 13th Street have been remodeled and we built a new playground behind Doyle School. The artificial turf on Donna Ricker Field was originally installed in 2008 and is nearing the end of its useful life. We are planning to replace it in either 2020 or 2021. Next month construction will be completed on an addition to our DPW garage that will enable us to keep more vehicles and equipment indoors, thus prolonging their useful life.

Councilman Philip Romero / Michael Fischkelta:

Public Works, Recycling, & Utilities Chairman's Report - The Public Works, Recycling & Utilities Committee has oversight over the Department of Public Works and the Borough's sanitary sewer system, streets, sidewalks, and municipal parking lots. It also has jurisdiction over all contracts for garbage and recycling collection and all matters concerning public utility services such as natural gas, electric, street lighting, water, telephone, cable television and internet provided by third party vendors. During the winter months, DPW responds to snow storms and does interior cleaning, painting and repairs in borough buildings. In late March, the DPW will begin the spring clean ups of all Borough parks and playgrounds. Throughout the spring and summer months, they will clean all storm sewer catch basins and all sanitary sewer lines. During the summer and fall months, the DPW will prune and elevate shade trees and will replace all damaged and faded street and traffic signs throughout the Borough. Additionally, this May we expect to move into the new garage that is currently being completed. It will enable us to house between 12-16 vehicles in-doors. By shielding vehicles and equipment from the elements like cold temperatures and snow, we can prolong their useful life and better ensure that they are ready to respond to emergencies in the Borough. Later this year we will be building a new, larger salt dome that will ensure we have adequate supplies of rock salt to keep our roads ice free during the winter months.

REPORTS OF OFFICERS:

Administrator Eilert / Isabella Gregory:

Administrator's Report - The Borough Administrator is responsible for managing the day-to-day operations of the Borough of Wood-Ridge. The Administrator reports to the Mayor and all department heads report to the Administrator. The Borough has 9 full time administrative staff. These staff members provide valuable services to our residents and perform state mandated tasks in the areas such as Finance, Tax, Purchasing, Recreation, Health & Vital Statistics, Construction & Code Enforcement and the Municipal Court. All administrative staff members have been cross-trained in multiple departments and duties. By improving efficiency, utilizing technology and participating in shared services and joint purchasing programs we have been able to implement significant cost savings over the years.

Borough Clerk Affuso / Madeline Gadaleta:

Good evening, my name is Madeline Gadaleta and I will be serving as Borough Clerk tonight. As Borough Clerk, I take on many roles to serve as liaison between the Citizens of Wood-Ridge, the Administrator, and the Mayor and Council. Preparing the agenda for tonight's meeting is an integral part of my job. Putting a day like today together takes time, planning and a lot of work from all the staff in my office. I am also responsible for the preparation of materials for the candidates who will be running for office. It is my job to make sure that everything is done to the letter of the law in order to ensure the results of the election. As a reminder, the Primary Election is on Tuesday, June 4. Please don't forget to vote. This Governing Body is proud to host many events in the Borough with Youth Day being at the top of the list. We would like to thank all the students who participated and we hope you enjoyed your day.

Attorney Barbire / Nanakua Aboagye-Addo:

Under General Litigation we have no pending lawsuits. In the event that a law suit was filed against the Borough, it would be referred to the Joint Insurance Fund, which is our insurance carrier and which would assign counsel to defend the Borough. Under Tax Appeals, April 1st is the deadline for property owners to file tax appeals. I will advise the Mayor and Council of the total number of tax appeals filed for the tax year 2019 once they have been received by my office. Regarding tonight's agenda, I prepared resolutions pertaining to the shared services agreements with the Board of Education which will be voted on by the governing body. My office also continues to prepare the required paperwork which is necessary in the normal course of Borough business.

Engineer Neglia / Emily Remenschneider:

The Borough Engineer is responsible for designing plans and bid specifications for capital purchases such as fire trucks and dump trucks and for infrastructure projects such as road paving, drainage improvements, building renovations, and upgrades to parks, playgrounds and athletic fields. The Borough Engineer also prepares and submits grant applications to the state and county on behalf of the Borough. We also inspect all public construction projects and review all applications submitted to the Land Use Board.

REPORTS OF DEPARTMENTS:

CFO Nicholas Fargo / Deanna Parisi:

The Chief Financial Officer is one of the four statutory positions which a municipality must have under state law. To be a CFO, you must have a bachelor's degree in accounting or business administration and must pass the NJ Certified Municipal Finance Officers exam. The CFO must work with various other municipal officers to perform his duties. The CFO works with the Borough Administrator to develop and administer the municipal budget. He works with the Borough Auditor to prepare the annual financial statements. He works with the Bond Counsel to issue bonds and notes which fund capital projects such as road paving and building renovations. The Borough of Wood-Ridge has a AA bond rating. Our budget is well below both the appropriations and tax levy caps. We have over \$3,000,000 in surplus and relatively low debt and liabilities.

Construction Code Official Gary Ippolito / Anthony D'Amico:

Good evening, I am Anthony D'Amico, your construction code official. It is my job to see that new construction, additions and alterations are planned and constructed according to the international building code New Jersey edition and the national BOCA code. This process begins with the complete review of all construction plans that the applicant submits with his permit application. Once the plans are approved, a permit is issued and the inspection process begins. Being involved in all stages of construction from beginning to end, assures code compliance and the safety and the integrity of the finished structure. This spring we expect to see an increase in building activity in the borough, not only of several new homes but many alterations and additions to existing homes. By working with the zoning officer, we make certain that the alterations and additions are built in conformance with the borough's zoning codes, as well as the uniform construction code. As the building, fire & plumbing sub code official, I am required to issue violation notices when homeowners or contractors do work without a permit. These penalties become quite expensive and should be avoided at all times. The issuance of a permit provides for inspections by state licensed inspectors and the inspections assure a structure that is in compliance with all of the applicable codes. It is in the building owner's best interest to obtain the necessary permits before construction begins. I have enjoyed this opportunity to explain my role. If you have any questions, please feel free to stop by the code enforcement office.

Emergency Management Paul Dahl / Jake Reiter:

The Emergency Management and Safety Officer is required to coordinate emergency response during a declared emergency that effects part of or the entire Borough of Wood-Ridge. Examples are major storms as in a blizzard or a Nor'easter which may cause loss of electrical power or trees to come down in the town. As Safety Officer I coordinate the training for Borough Employees, conduct inspections of Borough facilities and job observations such as traffic control by the Police Department at a job site and with the DPW during snow removal in the Borough.

Emergency Squad Captain Dennis Kronyak / Chelsea Cho:

The Wood-Ridge Fire Department Emergency Squad was established in 1937, as a subdivision of the Fire Department, to provide Emergency Medical Services to the residents of our town. We started with a used Cadillac Hearse and attended an eight hour First Aid course given by the Red Cross. Over the past 80 years we have grown in both training, and equipment allowing us to provide better patient care to those in need. Today we are equipped with two Freightliner Master Medic Ambulances which are due for replacement. Thanks to our gracious mayor and council; we will be taking delivery of one new ambulance in the month of May that will allow us to provide an upgrade of service to our residents. Within the almost 50 members of the Fire Department and Emergency Squad, we have 10 EMT's that are active on our Duty Crew system which operates from 6PM until 6AM Monday through Friday and all 24 hours on the weekend. We are also lucky to have 3 active members on our Wood-Ridge Department of Public Works which allows us to answer calls during the day to ensure our residents are receiving the best care possible. As Captain of the Squad, I oversee approximately 950 calls for Medical assistance annually and I also contribute my services on the Fire Ground with an additional 300 calls for the Fire Department. I am responsible for ensuring to the best of my ability that our members are trained, our equipment is functioning and mechanically sound. In the month of February, the Squad responded to 63 calls, which resulted in 471.87 man hours for the month. And so far for the Month of January and February we are up to 149 calls. We thank the Mayor and Council for their continued support, and look forward to serving our community better by advancing our training, and keeping up with the new medical sciences advancing in our field.

Fire Department Chief Elizabeth Ferry / Christian Jones:

The Fire Department is an all-volunteer group of approximately sixty men and women who provide fire suppression protection to all residents of the Borough, and also assist if our neighboring towns have a large incident and need assistance. We also provide Ambulance service at the Basic Life Support Level. We respond to approximately 350 requests for assistance per year, whether it be a simple investigation of a fire alarm, Carbon Monoxide incident, wires down, or a structure or vehicle on fire. We spend several hours each month cleaning our building and our apparatus and we also spend several hours each month preparing to do the best job through training. In 2018, we had a record year for incidents, responding to nearly 450 requests for fire assistance. With cleaning and training, we utilized more than 8,500 person-hours in 2018. And we are on track to meet the same levels again this year. I thank you for your support of our volunteers and remind you to change the batteries in your smoke detectors when you change your clocks.

Municipal Court Administrator Sharon Grimaldi / Stephanie Vadillo:

During the last decade, the municipal courts of this State have undergone systemic Court Rule and statutory revolutions that have launched our courts on a journey of continuous change. The municipal courts now handle more complex matters. In order to perform the duties of the Court Administrator you must become certified through the Administrative Office of the Courts and be passed by the Supreme Court to hold the title of Certified Court Administrator in the State of New Jersey

Municipal Court Judge Giuseppe Randazzo / Matthew Cordes:

The municipal court meets on the 1st and 3rd Thursday of the month hearing disorderly, petty disorderly and motor vehicle cases, approximately 1200-1500 cases a year. Total fines & costs collected for 2018 were \$246,158.00. Monies turned over to the were Borough \$119,380.00.

Police Department Chief John Korin / Eric Drotos:

The Wood-Ridge Police Department is comprised of twenty-three sworn law enforcement officers all who perform a specific function within their division for the overall success of this organization. Specialization is paramount as we move forward in a technological world providing our officers with the tools necessary to protect our citizens from the various crimes and issues that affect every community in Bergen County. We have many divisions including the Detective Bureau, Traffic Bureau, Firearms Division, Juvenile Division, D.A.R.E. Unit, Members of the Bergen County Regional S.W.A.T. Team and Internal Affairs. This department continues to be proactive in an attempt to reduce crime in our schools and out on the street. A large part of our success stems from the continued relationship and collaboration with Mayor Sarlo and the Town Council, Wood-Ridge School Administration, Office of Emergency Management and the Department of Public Works. Having constant communication with the stakeholders allows this department to provide a professional and unwavering service that the residents of Wood-Ridge should expect and deserve. My officers will continue to be a strong presence in and around our schools, borough events and the town as a whole. Our Detective Bureau has been working tirelessly to bring closure to our citizens that have been victimized by phone and Internet scams, credit card theft, mail and check fraud, burglaries, shopliftings, domestic violence, motor vehicle theft and drug related offenses. In the years 2017 and 2018, this department has effected over 320 arrests for the aforementioned crimes and offenses listed above. So far, in the year 2019, my officers and detectives have effected approximately twenty arrests. We will continue our mission and remain a proactive police department by participating in in-service police training, provide our officers with the necessary equipment and maintain our personnel at acceptable levels. The Mayor and Council just recently appointed three new officers to the department. All three officers are currently attending the Bergen County Law and Public Safety institute for a 26-week training program that ends in June. I am eager to begin their field-training program, help them exceed this department's expectations and eventually place these officers in police cruisers to increase our patrol division. Lastly, I would like to take this opportunity to say that Wood-Ridge remains a safe community, a community that we can all raise our children in, because of the efforts put forth from everyone in this room. Thank you and be safe.

Tax Collector Kellie Romero / Ruri Kim:

The job of the Tax Collector is to bill and collect real estate taxes for the Municipality. Tax dollars are where the majority of the revenue comes from to run the Borough. The Tax Collector uses the figures from the Municipality, County and Board of Education to calculate the money needed to bill property taxes. Taxes are paid quarterly, collected at the Tax Office and deposited daily into a designated bank. The Collector also holds a yearly Tax Sale for any unpaid taxes, at which time a lien is placed on the property. In most cases, the liens are redeemed by the owners and all charges are brought up to date. The Tax Collector position requires many hours of class instruction culminating in a state exam that is required for certification.

Welfare Director Susan Frattarelli / Ashley Gareffa:

The Municipal Welfare Director is responsible for determining the eligibility of residents applying for the General Assistance Program. The welfare director follows the State regulations to administer the program to qualified citizens providing income, shelter, and food. Seven cases are eligible for the general assistance program. Four clients are employable and registered with Work First NJ. Three clients are disabled as verified by a doctor's certificate,

REPORTS OF BOARDS OR COMMISSIONS:

Planning Board Chairman Frank Finke / Nick Aversa:

During the year of 2018 the Land Use Board worked on many different applications. Some of these consisted of Bond Ordinance — Purchasing property within borough for town use; Handling Code Violations in accordance with the zoning officer; Cingular wireless installed at the New Transformation Church conversion of mixed use back to 2F use; TGIF Restaurant to Westin Hotel (Element Hotel); Sub-Divisions of large parcels into smaller parcels for construction of new homes; Homes having zoning code violation, relief to homeowners; OPRA request; Both residential and commercial application for zoning and planning.

Shade Tree Commission Chairman George Meglio / Joseph Cassella:

Years of proper tree management is now paying dividends. Overgrown and dangerous trees are being replaced with tree species that are better suited for our urban forest. This eliminates sidewalk tree root conflicts and reduces the chances of dead trees falling over in heavy storms. With the support of the DPW, trees throughout the town were pruned and elevated. The DPW will continue to receive training in tree trimming through programs run by State Approved Arborists. This education and implementation of knowledge for the care of our newly planted trees is critical to the long term health and value to our trees. Last year we planted approximately 100 new trees and hope to do so again this year. Species include Cherry, Maple, Green Ash and Red Oak, which is our State Tree. Tree selection is based upon their mature size, durability, life span and their ability not to conflict with sidewalks and wires. As a Tree City Member, we will be celebrating Arbor Day in April. As part of the Arbor Day celebration, members of the Shade Tree Commission will conduct an educational lesson for the third grade class at Doyle School

Recreation Commission President Dennis Brubaker / Drew Paken:

The Wood Ridge Recreation Commission consists of seven regular members and two alternate members all appointed by the Mayor. The objective of the Recreation Commission is to insure the proper supervision, development and organization of each of the Recreation sponsored programs, to provide the proper guidance and assistance to these programs wherever and whenever possible and formally to actively develop new programs. The Recreation Commission meets monthly on the second Wednesday of the month at Borough Hall. All meetings are open to the public. The Wood Ridge 2019 Summer Recreation Program will be held Monday July 1st through Friday August 2nd. This program is attended annually by over 400 boys and girls in grades 1st through 8th and employs many of our High School and College age residents.

The 1835th Regular Meeting of March 20, 2019

Please visit us on the Borough Site www.njwoodridge.org for a highlight video from the 2018 Summer Recreation Program. Remember to follow WoodRidgeRec on TWITTER & like us on FACEBOOK. We continue to clear our coaches via fingerprinting, background checks, Coaches Certification Course and a Concussion Course. AED/CPR certification is required of all head coaches as well. As always, we thank all of our volunteers and especially our coaches for the time and support that they give to our recreation programs.

Library Board Director Margaret Mellett / Noureen Elkeshk:

The Wood-Ridge Memorial Library informs, enriches, connects, and inspires our community. This is the mission of the library, featured in the Library's new Strategic Plan. It drives everything that we do. We inform the community by providing access to print and electronic information through databases exclusively available to Wood-Ridge residents, such as Ancestry and the Historical New York Times. We enrich the community with programs, such as our summer Family Fun Night series, and with streaming access to more than 30,000 films through Kanopy (with a K). We connect the community by providing public computers and free Wi-Fi, resulting in thousands of connected sessions each year. We inspire our community with the world of ideas in our collections and through our extensive Museum Pass program. Your library card is the most valuable piece of plastic in your wallet. Enjoy the intellectual riches at the world, right here at home

FIRST HEARING OF CITIZENS:

Mayor Sarlo / Ryan Connelly declared the Hearing of Citizens to be open.

Jerry Caputo of 335 North Avenue stated he attended a Board of Education meeting regarding their budget and the cutting of the PreK-3 programs due to lack of space. He asked why this was not a discussion between the board and the council about population growth. Mayor Sarlo stated actual numbers of enrollment of students and there has only been an increase of 9 since 2011. Mayor Sarlo stated that he could not speak to why the Board is cutting the program, but it is not due to a space problem. Mayor also stated that growth and population is something that is something that is on the council's mind and agenda as they plan for the future.

Albert Nieves of 557 Windsor Road responded to the prior resident comment of the PreK-3 program. He stated that he has a 3 to 5 year plan that will be presented to the Board at the next meeting in April.

With no other residents wishing to be heard, the hearing of citizens was declared closed.

CONSENT AGENDA:

All matters listed below are considered to be routine in nature and will be enacted by one motion. There will be no separate discussion of these items. If any discussion is desired by Council, that particular item will be removed from the Consent Agenda and will be considered separately.

RESOLUTION NO.: 065-2019

RESOLUTION OF THE BOROUGH OF WOOD-RIDGE, STATE OF NEW JERSEY REFERRING THE 2019 WESMONT STATION REDEVELOPMENT PLAN, WHICH AMENDS THE 2012 WESMONT STATION REDEVELOPMENT PLAN, TO THE PLANNING BOARD FOR REVIEW AND COMMENT

WHEREAS, the Mayor and Council of the Borough of Wood-Ridge in the County of Bergen, New Jersey (the "**Borough**") by Resolution No. 35-2001 authorized and directed that the Planning Board of the Borough (the "**Planning Board**") conduct a preliminary investigation to determine whether the area in the vicinity of the south side of Passaic Street from the right-of-way commonly known as Burma Road to South Main Street, as more particularly shown on the schedule annexed to Resolution No. 35-2001, is or is not blighted or in need of rehabilitation so as to prevent the existence of blighted conditions; and

WHEREAS, the Planning Board conducted public hearings on April 18, 2001 relative to the proposed redevelopment area which were duly advertised, with notice of the hearing mailed to all property owners within the proposed redevelopment area, and by Resolution dated April 25, 2001 the Planning Board found and determined that the subject parcels of real property were an area in need of redevelopment pursuant to N.J.S.A. 40A:12A-6; and

WHEREAS, by Resolution No. 98-2001 the Mayor and Council of the Borough found and determined that the property commonly known as Block 320, Lots 1.01, 2 and 3 on the tax map of the Borough (the "**Redevelopment Area**") was an area in need of redevelopment pursuant to N.J.S.A. 40A:12A-6, and, in accordance with the statutory mandate set forth therein, served and/or mailed notice of such determination upon all interested parties required to receive notice of such determination; and

WHEREAS, by Ordinance No. 2003-6 the Mayor and Council of the Borough adopted and approved the "West Side Wood-Ridge Redevelopment District" of the Borough as more particularly set forth in that certain Redevelopment Plan dated June 16, 2003 prepared by various entities and individuals as noted in the Redevelopment Plan acknowledgement page (the "**Original Redevelopment Plan**"), and which Ordinance designated the Mayor and Council of the Borough as the redevelopment entity for such Redevelopment Plan; and

WHEREAS, by Ordinance No. 2012-10 the Mayor and Council of the Borough adopted and approved the Wesmont Station Redevelopment Plan dated July 16, 2012 (the "**2012 Plan**"), which amended and replaced the Original Redevelopment Plan; and

WHEREAS, as a result of changes in the economic climate since the adoption of the 2012 Plan it has become necessary to revise certain components of the 2012 Plan to make development within the Redevelopment Area economically feasible; and

WHEREAS, the Mayor and Council propose the Wesmont Station Redevelopment Plan, dated March 18, 2019, attached hereto as **Exhibit A** (the "**2019 Plan**") which amends the 2012 Plan; and

WHEREAS, the Mayor and Council desire to refer the 2019 Plan to the Borough Planning Board for its review and comment, pursuant to N.J.S.A. 40A:12A-7.

NOW THEREFORE BE IT RESOLVED, by the Municipal Council of the Borough of Wood-Ridge, in the County of Bergen, New Jersey, as follows:

Section 1. The aforementioned recitals are incorporated herein as though fully set forth at length.

Section 2. Pursuant to N.J.S.A. 40A:12A-7, the Borough Council hereby refers the 2019 Plan attached hereto as **Exhibit A** to the Planning Board for review and recommendation. The Planning Board shall prepare a report regarding its recommendations and submit same to the Borough Council.

Section 3. The Borough Clerk shall forward a copy of this Resolution and the 2019 Plan to the Planning Board for review.

Section 4. A copy of this Resolution shall be available for public inspection at the Borough Clerk's Office.

Section 5. This Resolution shall take effect in accordance with all applicable laws.

SECOND HEARING OF CITIZENS:

Mayor Sarlo / Ryan Connelly declared the Hearing of Citizens to be open.

Melissa Cruz of 345 Columbia Boulevard asked council if there was a breakdown of the school enrollment numbers by building from 2011. Mayor explained that we do not have those actual enrollment numbers.

ADJOURNMENT:

Since there was no further business to come before the Council, Councilperson Cassidy, seconded by Councilperson Romero moved for adjournment. By unanimous vote of the members of the Council present, the Regular Meeting of the Mayor and Council of the Borough of Wood-Ridge held on March 20, 2019 was duly adjourned at 8:00 p.m.

Respectfully submitted,

Gina Affuso, RMC
Borough Clerk
