**FIRST HEARING OF CITIZENS:**

Mayor Sarlo declared the Hearing of Citizens to be open.

Rich Martinelli of 216 Tenth Street asked what was being built at the bottom of Highland Avenue. Administrator Eilert explained that would be the new townhomes and it will be buffered with fencing and trees. Mr. Martinelli asked if that would be the entrance to where the new fields were being built and if this would cause an increase in traffic in the area. Administrator Eilert stated that Highland Avenue and Passaic Street would be the entry points into the recreation complex. The increase in traffic was to be anticipated which was one of the reasons why so many stop signs have been placed in the area.
