SECOND HEARING OF CITIZENS:

Mayor Sarlo declared the Hearing of Citizens to be open.

Bonnie Taylor of 64 Wood-Ridge Street asked about the monies involved for the High School Auditorium. Administrator Eilert explained that the study from DiCara Rubino would provide a better understanding of the funds needs. They are very versed in renovating school auditoriums and can assess and ascertain state vendors and pricing. This will allow the borough and the board of ed to get the proper pricing. Administrator Eilert also stated the goal would be have the work done over the summer months of 2022 so not to interfere with the school year. These funds will be in addition to the funds allocated by the board of ed.

Minutes of the 1867th Regular Meeting of May 19, 2021

Ms. Taylor asked how the council was deciding to deal with allowance of marijuana dispensaries. Mayor Sarlo stated he has discussed the matter with surrounding mayors. He is speaking with council to consider banning the retail and delivery sales of marijuana. However, consideration to the cultivation and wholesale distribution should be considered in the industrial areas. The Borough Attorney and Administrator Eilert will be working on an ordinance to introduced by August. Administrator Eilert stated that the legislation puts this in the domain of zoning laws. There are 6 classes, 2 of which are retail sales and deliveries. In his discussions with the officials of the surrounding towns, they will not be permitting those 2 types in any zone of their community. The other 4 classes relate to large scale wholesaling, distribution and cultivating. That is conducive to a warehousing industrial zone, which for us, is only the Curtis Wright Warehouse property. These types of zones are what other towns are considering as well since they are so far removed from residential and school zones. You can still receive the tax benefits but there would be no public access to that area. In assessing the zoning maps, that warehouse would be the only one that would meet the guidelines for being in the proximity of residential, schools and house of worship areas.

With no citizens wishing to be heard, the second hearing of citizens was closed.

Councilman Romero thanked Mayor for all he has done with the WRAC. He has witnessed the excitement on all the kids faces when they come to play on the new field and it has been a wonderful experience.
