OPEN PUBLIC MEETINGS ACT STATEMENT:

This meeting is being held in accordance with Public Law 1975 Chapter 231, the Open Public Meetings Act, also known as the “Sunshine Law”. The public meeting notice stating the date, time and place of this meeting was posted on the municipal bulletin board and the municipal website and was forwarded to The Record and the Star Ledger.

CEREMONIAL PRESENTATION:

Mayor Sarlo presented a Good Citizen Award Plaque to Zofia Celentano, Alexa Celentano, Keri Stellato and Lisa Biamonte after reading the below statement.

When Hurricane Ida hit our small town, The Celentano Family knew they needed to help their community. With countless hours of helping their neighbors clean up, Zofia wanted to do more to help her neighbors.

She reached out to the Wood Ridge PBA and Emilia Romagna to help her organize having pizza delivered to all the families that were impacted. As that was not enough, Zofia and her daughter Alexa reached out to Keri Stellato and Lisa Biamonte from the PTA, wanting to help to do more. With the help of the PTA they set up a donation drive for cleaning supplies and back to school supplies for the children and their families who were impacted.

The three ladies worked countless hours with the help of Alexa Celentano, Kim Capuano, Mike D’Agnese and Chris Celentano helping with clean up, driving around town and donating cleaning supplies and giving emotional support to everyone affected.

Minutes of the 1877th Regular Meeting of February 9, 2022

The ladies also assisted The Knights of Columbus with providing a luncheon to all their friends and neighbors.

With the generous monetary donations from our residents and friends, they were able to raise over \$7,000.00, which was given back to the residents impacted by Hurricane Ida.

Mayor Sarlo presented a Good Citizen Award Plaque to Keri Stellato and Frank Gagliano for Life Saving Efforts after reading the statement below.

On February 2, 2021, Keri Stellato and Frank Gagliano were thankfully in the right place at the right time. Their neighbor, Richard Leach, collapsed and suffered an apparent heart attack while snow blowing his driveway during the snow storm that day.

Keri and Frank assessed Richard's condition and immediately dialed 911. It was determined that Richard did not have a pulse and was clearly unresponsive. Keri and Frank started CPR until Wood-Ridge Police Officers, Mike Donato and Jeff Fantacone, arrived on scene. The officers took over CPR at that time and shortly after administered the use of an AED.

Richard needed the AED to be used twice until a heartbeat was detected. The Wood-Ridge Fire and EMS arrived on scene and transported him to the hospital.

According to Keri, she is thankful that one of the requirements of the Wood-Ridge recreation program is that all head coaches become CPR certified (she has been a head softball coach for the past 13 years). Saving lives runs in the family. Keri's Father and Brother are both active members of the Wood-Ridge Fire and EMS and have been so for over 25 years.

Hasbrouck Heights recreation requires their coaches to be certified in CPR as well. Frank who has been a soccer and softball coach for the past 8 years is also thankful to have been able to use his life-saving skills that day. Once again, saving lives runs in his family as Frank's Mom is a Registered Nurse.

Richard was released from the hospital two days after being admitted and is thankfully doing well today.

At this time, a 2-minute recess was taken to allow any honorees and guests to depart. The meeting reconvened at 7:30 pm.

FIRST HEARING OF CITIZENS:

Mayor Sarlo declared the Hearing of Citizens to be open.

Amy Christiana of 147 Helm Avenue asked for an update on the Arnot flooding. Administrator Eilert stated that he is planning to have a meeting with the residents of that area very soon. We just completed a survey of all the drains in the backyards. There is some work that we have identified that will help certain circumstances with the storm sewer system. We are going to do some rerouting of the existing catch basins to help alleviate some of the back flow. All the parts were ordered and most of them have been received. We expect the contractor to begin by the end of the month. That work involves installing check valves at the catch basins at the dead-end streets. This will help any surge in the future if that big pipe ever fills again. They have also identified a catch basin on Arnot Place that goes out to the pipe. This is behind the homes along the railroad tracks and that will also be rerouted. You will see storm sewer work being done throughout February and March. We have also done a full investigation of the sanitary sewer system. We have identified another section of pipe that is between a few homes on Helm and Wood-Ridge Ave that will need to be replaced. That will require permission from the homeowners which we will obtain and restore any damage to lawns or driveways that occurs in the process.

With no other citizens wishing to be heard, the first hearing of citizens was closed.
