Minutes of the 1892nd Regular Meeting of February 15, 2023

REPORTS OF OFFICERS:

Administrator Eilert: As stated by Councilmember Marino, the Finance Committee has begun working on the budget which will be introduced in April. Early revenues are on target and we will hopefully deliver a budget with no tax increase for the 3rd year in a row. On capital projects, we started the prep work to replace the gazebo on Fritch Street which should be delivered sometime in March.

Borough Clerk Affuso: no report

Attorney Barbire: progress

Engineer Neglia: on file

REPORTS OF DEPARTMENTS: If any, on file in clerk's office

FIRST HEARING OF CITIZENS:

Council President Azzolini declared the First Hearing of Citizens to be open.

The following residents came to speak on behalf of the safety at Madison Street with traffic cutting through their street off Moonachie Avenue. They also speed down the street with serious risk to their children:

Lisa Biamonte, 160 Madison Street

Gina Scarpa, 168 Madison Street

Mary & Paul Farrell, 541 Anderson Avenue

Peggy Goddard, 171 Madison Street

Paul Yingling, 171 Madison Street

Penelope Yingling, 171 Madison Street

Marissa Rich, 171 Madison Street

Chris Ortiz, 164 Madison Street

Ron Italiano, 176 Madison Street

An open dialogue was held with the residents and administration for opinions and suggestions on the matter. The group above nominated Lisa Biamonte as the spokesperson for the group who followed up with:

We would like to come up with some solutions to our extremely dangerous and frustrating issues, with the speeding and accidents that occur on Madison Street, as well Anderson Avenue. As you could imagine, we live with anxiety, frustration, & fear hearing and seeing these issues happening on a regular basis. The fear for our children is real, as some of them are too young or have a disability that inhibits the understanding of traffic safety. We know this is an issue that needs to be addressed before there is an incident that severely injures someone, or may ultimately take a life. Having increased police presence at peak traffic times, flashing STOP signs, additional 4 way stops on Anderson Ave and studies done on the possibility of NO left turns on the streets directly affected by Moonachie Avenue traffic.

Administrator Eilert expressed his gratitude for the residents coming to present their concerns about this matter. Administrator Eilert also stated that the requests presented were very reasonable and he would begin by immediately posting an officer at the location and begin issuing summons. He also stated that he would be contact the Borough Engineer to have a traffic study done as soon as possible to come up with potential solutions as discussed in the open dialog. He also explained that Moonachie Avenue is a County Road that intersects with State Route 17 which means that the State and the County would have to approve any modifications to the traffic patterns on Moonachie Avenue, such as restricting Left Turns.

Minutes of the 1892nd Regular Meeting of February 15, 2023

Mark Handelman of 133 Jefferson Street asked if something could be done about the street lights at the train station on Park Place East. He has contacted PSEG but they have not been fixed. He also stated there are pot holes in the parking area of the station. Administrator Eilert stated he would call PSEG and check the parking area to resolve the situation. Administrator Eilert asked Mr. Handelman to contact Borough Clerk in a few weeks if the situation was not resolved.

Patrick DiRoma of 115 Truman Drive stated he thought that Jut-Outs on the corners would help the residents on Madison Street. Administrator Eilert explained that the study done to evaluate the possibility for bikes lanes addressed this issue. He explained that the Jut-Outs narrow the street which would make them not passable to 2 lanes of traffic which would require them to be made into one-way streets. The Jut-Outs could also reduce the amount of street parking available. Streets that are one-way or that don't have parking on them are not a good idea because they actually encourage speeding because drivers don't have to be concerned with not hitting parked cars or on-coming cars traveling in the opposite direction. With no other citizens wishing to be heard, the second hearing of citizens was closed.
