You should see an uptick in some of the service in the new gas mains in the quadrant of 10th Street and the Boulevard and North Avenue. The good news is, ~~that~~ in April we should see PSEG paving crews in town ~~and they will be~~ repaving all of Hackensack Street, all around the school, curb to curb. Tatyana Budanskaya of 104 West Ridge Mews read a statement she prepared. My name is Tatyana Budanskaya and I've been a resident of West Ridge Mews since 2019. I'm here today alongside my neighbors, to express our sincere gratitude to the Town for its essential support and services. We especially appreciate the recent inspections conducted by the Fire Department and Fire Official Kurz, ensuring the safety of our community. We are also here today because we are passionate about improving our Complex and are committed to holding fair and open Board of Directors elections for the first time in years. I am running for the Board seat because we are dedicated to protecting our homes and addressing critical issues like aging infrastructure, poor lighting, and other safety concerns. Our ultimate goal is to work collaboratively towards positive changes and build a stronger partnership with the Town.

Mayor Sarlo stated West Ridge Mews has been in existence since 1981 and a very important part of our community. We are glad to hear you are going to be working collaboratively and looking at some of the infrastructure. We will do our part and welcome the opportunity to collaborate in partnership.

Ms. Budanskaya added that the police presence has made their community feel safe and the work that Fire Official Kurz has been doing there is a tremendous help. She also thanked Senator Sarlo for all he has done with Senate Bill 2760 as it is going to help them as well.

With no other citizens wishing to be heard, the hearing of citizens was closed.
