*** RESIDENT NOTICE ***

Road Resurfacing Project – Milling & Paving

Streets to the West of 14th Street

No Parking Notices will be posted before work begins on your Street. Streets will be closed to traffic and parking from 7am to 5pm when work is being performed on that Street.

If you will need your vehicle, it must be moved prior to 7am on the day that work is being performed on your Street.

The Borough's Overnight Parking Prohibition will be waived throughout your neighborhood during the scheduled work period so that vehicles can be moved the night before work begins.

The schedule is dependent on weather conditions. Thank you for your understanding and cooperation.

Road Milling:
October 15-16 (Thursday & Friday) & October 19 (Monday)

Prep Work & Road Paving:
October 19-23 (Monday - Friday)

Look for No Parking Notices that will be posted with the Specific Work Schedule for your Street
