## ***A History of the Wood-Ridge Memorial Foundation***

Founded in 1962, through the initiative of the Wood-Ridge Lions Club, the Memorial Foundation has funded over \$1,200,000 in scholarships to over 900 resident students. The Foundation takes particular pride in the fact that it has very low overhead, being fully staffed by volunteers, and that almost 100% of the donations go directly to the scholarship fund. The Foundation officers and Trustees are also proud that no outside professional fundraising organizations have ever been used.

Scholarships are open to all Wood-Ridge residents who are seniors in high school and who are accepted into accredited colleges and universities. The fund now stands at over \$1,500,000, which will permit scholarships to be awarded to 15 to 20 students each year. With continued community support, we hope that this fund allows as many qualified students as possible to receive an award from the Foundation.

*The following Officers and Trustees wish to thank the residents of Wood-Ridge for their continued support of the Foundation and pledge to carry on with their efforts to ensure continued growth of the scholarship fund.*
