Name of Municipality: Borough of Wood-Ridge

Date of Audit Report: December 31, 2011

Date Report is Received: June 19, 2012

Description: The encumbrance system be enhanced to ensure that materials be ordered only after a purchase order has been executed.

Corrective Action: Management notes that significant progress has been made in this area. Furthermore, the exceptions noted were for relatively small dollar amounts, were within established budget limits, were authorized by relevant personnel and were appropriate and necessary purchases. Date Report is Received: June 19, 2012

Finding Number: 2

Description: The recreation department deposit all monies received within 48 hours of receipt and the Board of Health maintain a cash receipts ledger.

Corrective Action: Management notes that instances of money not being deposited within 48 hours are very rare, involve relatively small dollar amounts, result from extenuating circumstances and have never resulted in funds being lost or unaccounted for. Nonetheless, the recreation department will make every effort to deposit all fees collected within 48 hours. A cash receipts ledger was implemented for the Board of Health in 2010 and additional training was implemented in 2011 to ensure that the ledger is properly maintained.

The Borough is presently working with ADP and the Borough depository to effectuate an arrangement whereby the Borough directly contracts with ADP, but the Borough Depository still pays for the service.
