6. Hearing of Citizens –

We had 2 residents in attendance. They are homeowners of 166 Wood-Ridge St. Ken and Diane Schieder. They are seeking help with a situation with their tenants. They brought pictures of garbage not handled properly by the 2nd floor tenant. The tenant did ask to have her lease broken. Issues of recycling and faulty wires on the fridge were discussed. The land owner is responsible to ensure the trash is handled properly. The tenant is threatening to sue Fire and Police. Board member Bob Keller lent input to situation. Advice given by Board President regarding the lease. Emails have been sent by first floor tenant detailing their concerns. Recycling Coordinator needs to be aware of situation. The Schieder's do have a lawyer. She has been given permission to break the lease. The duration of this is one month at this time. Parking is also a recent challenge which is not in the lease. Snow removal is also an issue. The board wished the Schieder's best of luck. *

It was determined that this is a landlord and tenant issue and that ultimately the landlord who is also the homeowner is responsible for the property.
