Hearing of Citizens:

Michael Oppido and Roger Rotundo were in attendance to discuss the current Concussion Policy that WRHS is using and how it affects anyone that uses the school facilities. They explained that all coaches are now required to take a concussion class and test at www.nfhs.com. Roger will send the link to Jacki via email. Dennis and Jacki will look into how we can best work this into our current coaches' certification requirements. Michael also spoke about the way in which Jr. Wrestling put away the microphone in the gym. Duct tape was still stuck to the microphone. Bryon Parisi will send an email to the Jr. Wrestling Board explaining to them that they must take care in the way that they put the equipment away and that they should check the bathrooms prior to leaving Board of Education facilities. Bryon will copy Jacki on the email.
