Hearing of Citizens:

Amy Christiana was in attendance on behalf of a proposal that she wrote and distributed to the Recreation Commission in reference to recreation cheering and football having separate boards, budgets and by-laws. Cheering continues to grow every year. More than 185 girls, 25 coaches, 15 Jr. coaches. Competitive cheer 25 to 30 girls and 4 coaches. Currently has no governing board or by-laws. Safety would be a plus and cheering would be more of a supporting entity. Advantages to the proposal would be a stronger program and a stronger image. Amy is not comfortable voting on football issues and does not feel that the other board members should be voting on cheering issues.

Luke Incognito was in attendance on behalf of Junior Football. Luke would like to make CPR required for all coaches. Cost would be \$45 each. Suggested Luke contact our own Fire Department to inquire about cost.

Terri Marquart was in attendance on behalf of recreation competitive cheering and in support of Amy Christiana’s proposal. She would like to see the merge because with the two groups together there will be better communication.

Pam Rella was in attendance on behalf of recreation competitive cheering and in support of Amy Christiana’s proposal.

Jenna Tracey was in attendance on behalf of recreation competitive cheering and in support of Amy Christiana's proposal.

Discussion continued and the recreation commission suggested bringing this proposal to the football board for discussion.
