Hearing of Citizens:

Brian Hansen, John Wollerman and Bob Newsome were in attendance on behalf of Girls Softball. They would like to use the Union Avenue Field for their 17U UGALS games on Sundays in the Fall. All of the appropriate insurance requirements have been met.

John Gingerelli made a motion to approve access to the Union Avenue field for 17U UGALS games on Sundays in the Fall. The motion was seconded by Jerry Lanzerotti. Vote was taken, all ayes received. Motion passed.

John Wollerman requested a piece of fence or some type of netting to be placed on top of the back stop to prevent the foul balls from rolling down the Union Avenue hill.

John also requested that we take a look at the lighting in the parking lot to make sure that it is adequate for those that close up at night. They would also like the kitchen and kitchen floor painted as well as the bathrooms. Finally they questioned the geese droppings and what if anything the borough was planning to do.

Valerie Lemme was in attendance to request use of the Civic Center for monthly meditation classes to be held at the Civic Center. The classes would be free and 1hour

sessions. All agreed to allow the classes to be held at either the Bianchi House or Civic Center.

Jonathan Braid and Rich Fallon were in attendance to discuss alleged issues between the children from soccer, football and a football coach. Apparently the football coach called the soccer players a derogatory remark and it got back to some of the parents. Ezio suggested that Jacki contact Principal Robert Recchione to let him know what is going on so that he can keep his eyes open for any potential problems.
