Hearing of Citizens:

(Andrea Marino, Ed Marino, Chris Wronko)

Andrea Marino was in attendance to discuss Girls Softball. She is very disappointed in the program this year, specifically the men in charge. They are rude. At the 7th & 8th grade level, there are too many girls on a team. There should have been three teams but Brian and Bob shut it down. There is always an issue when playing another WR team. Brian does not allow rescheduling. One particular rainy day, one game was cancelled due to rain the other was forced to play and had to forfeit.

Chris Wronko was in attendance to discuss Girls Softball. Chris presented a letter written by his wife Betty Wronko describing an incident in which she felt she were singled out and embarrassed by the treatment of Brian. John, Dennis and Jacki will meet with the current Girls Softball board to discuss the accusations.
