The Shade Tree Meeting of May 8, 2017 was called to order at 6:30 PM by Commissioner George Meglio.

Chairman Meglio stated that we will not have any plantings in the spring; plantings will be in the fall in the areas where there is new construction. Also, the trees in question along Hackensack St. will be removed.

Commissioner Meglio spoke about Arbor Day @ Catherine E. Doyle School. It was held on May 1<sup>st</sup>. He attended with Commissioner Romero. There were 83 kids from all three 3rd grade classes that participated; enrollment is down.

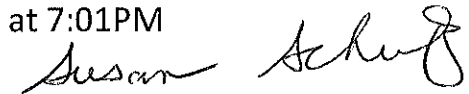

Michele Ragozzino- 389 Marlboro Rd was in attendance. She asked about a tree that was lifting her sidewalk & the roots on her lawn which makes it dangerous for her children to play. Commissioner Meglio advised to have it removed; in 2018 a new tree will be planted. She was advised to look into Leaf Guard through Suez. Commissioner Meglio advised Mrs. Ragozzino that once the tree is removed the roots on her lawn will die back.

A discussion ensued about tree trimmings in town (207 Wood-Ridge St.); have DPW trim them.

Commissioner Dahl noted that Downes Tree Service will be in town tomorrow with the crane truck to remove 63 8<sup>th</sup> St. as it is leaning and dangerous.

**ADJOURNMENT**

Since there was no further business Chairman Meglio seconded by Commissioner Azzolini moved for adjournment. By unanimous vote the meeting was adjourned at 7:01PM

Respectfully submitted,
