### **MEETING**

September 21, 2020: Local Assistance Board Meeting held at the Wood-Ridge Borough Hall conference room at 7pm.

Due to Covid-19 our meeting was held as a telephone conference. We discussed the current caseload of 6. Three clients are disabled and three are employable. Two cases include Temporary Rental Assistance. We discussed the current health situation with Covid-19 and the fact that clients are not coming to the Borough Hall. All interviews are done by telephone. I mentioned the fact that an employable client is unable to attend NJ Work First Program in Hackensack. Mrs. Goldklang informed us of the current restrictions involving the Seniors using the W-R bus transportation.

The meeting date was changed due to a conflict in Councilwoman's schedule.

Meeting adjourned at 7:25pm.

Respectfully submitted,

Susan Frattarelli

Welfare Director
