The meeting of the Shade Tree Commission for April 12th, 2021 was opened and called to order at 6:25 PM by Chairman George Meglio.

Chairman Meglio stated he attended his first State Forestry Meeting a couple of weeks ago; very interesting. They are going to have the Shade Tree Federation Meeting in October in Cherry Hill. Chairman Meglio will be attending for all 3 days. We will need 2 people to go down to keep up; one day class-A & B classes that run concurrently.

Chairman Meglio stated that some trees came down over the winter, no real damage. Paul Dahl reported that Downes will be coming in sometime next month to remove 5 stumps and there are 7 trees that need to be removed; they have been very busy. We will be planting 11 trees this spring; only requests.; this makes us far short of our goals this year.

A discussion ensued about planting in Wesmont; has nothing to do with us, considered private property, but we have to maintain them. A discussion ensued about windmills.

Tree City signs were received and will be put up.

Meeting was adjourned at 7:00 PM.

Respectfully submitted,

Susan Schulz
Shade Tree Secretary
