Reorganization Meeting

January 24, 2022: Local Assistance Board Meeting held at the Wood-Ridge Borough Hall conference room at 7pm.

Members voted to reappoint Patricia Sloan as secretary and Maryann Roman as president of the Local Assistance Board.

We discussed the pandemic and how it effects our community. There are currently 6 residents eligible for the General Assistance program. Five clients are disabled and one is unemployable. The caseload remains low since those collecting Unemployment Benefits do not qualify for General Assistance.

I explained what assistance is available to Wood-Ridge residents through the Bergen County Board of Social Services, located in Rochelle Park.

Mrs. Goldklang shared news about our Wood-Ridge seniors. The senior clubs will resume meetings in March. Senior bus rides continue on Wednesdays to Shop Rite.

Meeting adjourned: 8:00 pm.

Respectfully submitted,

Susan Frattarelli

Welfare Director
