Meeting

April 18, 2022: Local Assistance Board Meeting held at the Wood-Ridge Borough Hall conference room at 7pm.

There are currently 6 residents eligible for the General Assistance program. Five clients are disabled and one is employable. The caseload remains low since those collecting Unemployment Benefits do not qualify for General Assistance.

I shared information regarding the General Assistance application process. We discussed the SNAP food assistance program. We also discussed SNAS, a simplified food assistance program for seniors over age 65 whose only income is SSI benefits.

We shared information regarding Senior clubs and any upcoming activities.

Meeting adjourned: 8:00 pm.

Respectfully submitted,

Susan Frattarelli

Welfare Director
