Meeting

September 19, 2022: Local Assistance Board Meeting held at the Wood-Ridge Borough Hall conference room at 7pm.

There are currently 6 residents eligible for the General Assistance program. Five clients are disabled and one is employable. The caseload remains low since those collecting Unemployment Benefits do not qualify for General Assistance.

I shared information regarding the General Assistance application process. We discussed the SNAP food assistance program. We also discussed SNAS, a simplified food assistance program for seniors over age 65 whose only income is SSI benefits.

We discussed my plans for retirement February 1, 2023.

We shared information regarding Senior clubs and any upcoming activities.

Meeting adjourned: 8:00 pm.

Respectfully submitted,

Susan Frattarelli

Welfare Director
