Meeting

November 28, 2022: Local Assistance Board Meeting held at the Wood-Ridge Borough Hall conference room at 7pm.

There are currently 6 residents eligible for the General Assistance program. Five clients are disabled and one is employable. The caseload remains low since those collecting Unemployment Benefits do not qualify for General Assistance.

I shared information regarding the General Assistance application process. We discussed the SNAP food assistance program. We also discussed the Thanksgiving donations.

We discussed my plans for retirement February 1, 2023. The last General Assistance checks issued to the current clients will be 12-1-22.

We shared information regarding Senior clubs and any upcoming activities.

Meeting adjourned: 8:00 pm.

Respectfully submitted,

Susan Frattarelli

Welfare Director
