Michele Mabel:

Happy New Year to everyone! Thank you to my family and friends for coming out especially after a late night! I'm blessed to have such a great support group who are always there for me. I would like to thank Cathy and Joe for their years of service and wish them good luck in the future. Mike and I have big shoes to fill but I can't think of anyone better to start this journey with.

I would like to express my gratitude to the voters for placing your trust in me. I also want to thank Mayor Sarlo and Council for your support. I'm honored and incredibly grateful to be joining this remarkable team. I thank each of you for your guidance and leadership throughout my campaign. I could not have succeeded without you. I look forward to working with each of you to keep WR moving in the right direction.

To my family... It's been a commitment for all of you and you have each embraced the journey - even the countless photo shoots. A special thank you to my husband, Jason for being my number one fan and for dealing with all my craziness. Your love and support have given me the strength and confidence to get me to where I am today.

To my 3 boys... I know it wasn't always easy and you had to sacrifice a lot of time without me during campaigning. Thank you for understanding and for being the sweet, loving boys that you are! Thank you to my in-laws for always stepping up and being there to babysit.

Finally, I would like to thank my mom and dad for being the best role models. Your hard work and dedication have influenced me to be the strong person I am today. Being raised by a marine and retired state trooper has taught me the true meaning of respect, dedication, hard work and commitment to your community.

Minutes of the Reorganization Meeting of January 1, 2023

As your next councilwoman, I promise to model these core values when serving our community. I would like to end with a quote I learned from a good friend: Always be part of the solution and not the problem! And that's exactly what I plan on doing. I'm here to listen and be your voice. And together we will... make positive impact on Wood-Ridge.

Michael Donato:

Good afternoon and Happy New Year! I want to thank all the Wood Ridge people who voted and supported me in this nomination and election. It was great meeting so many new residents in my door-to-door campaigning and I was very happy to get to know some of the town people and have some interesting conversations.

I am so proud of and honored to be part of this great town and part of this dedicated council of Wood Ridge. I am so thankful for your assistance during this entire time.

I want to thank my wife Kathy and my sons Michael and Nick for their support these last few months of my campaigning. I also want to thank my Mom, Fran, and my Brother Stephen and my dear friends Vinny and Teresa and their son Dr. Anthony Russo for being part of this day.

I can't say enough about the Mayor and Council in this town - they are hardworking and supportive and this makes Wood Ridge a great town to live in. I would also like to recognize Michele Mabel, my successful running mate. I would also like to thank Chris Eilert, our borough administrator, for all his assistance in helping me get oriented to the council.

Lastly, I want to let everyone know that I take this position very seriously and I will work hard for the people in any way I can and make them as proud as I am to live here in this town of Wood Ridge.

My dad passed away a few weeks ago and I know that he would be very proud of me today. God Bless you all and God Bless Wood-Ridge.

Councilman Azzolini:

When you sit up here and listen to everyone and see and hear the emotion in everyone, it transcends throughout us all. We put our heart and soul into what we do for our community. I also want to wish Happy birthday to my wife Toni Ann.

Thank you to the governing body for your support and confidence and for reappointing me. I want to thank Cathy and Joe for all their service and friendship. Congratulations to Michele and Mike who I know will do a great job as councilmembers. Special thanks to my girlfriend Brenda, who is warm, beautiful, intelligent and caring. She does an incredible job taking care of me and our home and giving me support to be able to serve the public and be out in the evenings and on weekends attending community events. I know I can speak for everyone in public life when I say that we are all able to do what we do because we having supportive and loving people at home who understand the sacrifices that must be made to serve the public. Happy and healthy new year to everyone.

Mayor Sarlo:

It has been said and it is understood by everyone in this town, but I have to say that Chris Eilert is “THE premier Borough Manager and Administrator”. No one understands the workings of government, how to move the levers of government, understands policy and the politics that go along policy better than Chris. He is recognized. If you ask Governor Murphy who Chris Eilert is, he knows who Chris Eilert is because he knows that no one knows local government better than he does. I used the word blessed a lot, but there is no secret. Our operations are better than any other town around. That’s how clean we are. That’s who Chris is. I know I have OCD, I know he has OCD, but he is very good at it and what he does. Just down to the details of getting here yesterday to make sure the air condition was turned on and the fonts, by the way, the fonts are this big (held up paper for view). All the details, from the littlest details to the biggest details of reading a 200 page document is what he is all about. So thank you Chris.

Mayor’s Annual Address

2022 was yet another year of tremendous progress in the Borough of Wood-Ridge.

- We had no tax increase for the 2nd year in a row.
- Construction of the Wood-Ridge Athletic Complex was completed and all amenities were fully open including the Concession Stand, the Playground, and the Dog Run.
- We renovated the High School Auditorium into a beautiful and modern, state-of-the-art venue to showcase the performing arts talent of our students. When completed next month, it will feature the latest technologies in lighting, acoustics, and sound.
- We renovated the Fire Department Meeting Room to make it an inviting and comfortable “home away from home” for our volunteers who risk their lives to protect us.
- Our sidewalk and tree safety program abated approximately 75 dangerous locations with new sidewalks and new trees.

Minutes of the Reorganization Meeting of January 1, 2023

In 2023 we will build on our unmatched record of investing in our school facilities. There is not another Mayor and Council in the State of New Jersey that has done more to invest in its school facilities in partnership with the Board of Education. And we have done so in a deliberative and strategic manner that has minimized public debt and minimized any negative impact on our taxpayers.

In the time that I have been Mayor, we built an addition on Doyle School; we opened the Wood-Ridge Intermediate School; we installed air conditioning and security systems in all our schools; we replaced roofs, windows and heating systems in all our schools; we bought laptop computers for all our students; we built new parking lots and installed new landscaping at all our schools; we built a playground for Doyle School; and we renovated the Science Labs, the Gym, and the Auditorium at the High School.

We were able to make multi-million-dollar investments without negatively impacting our taxpayers because we engage in strategic budgeting in which we plan the timing of capital investments to coincide with new revenue streams so that projects don't require long-term debt.

This year we will embark on a project to expand our school facilities to provide more classrooms and smaller class sizes for our elementary grades and more individualized learning spaces for our students with specialized educational needs. Once again, because of our prudent planning, we will be able to take on this project with minimal impact to our taxpayers. Additional details on our school plans will be released in the near future.

Our strategy of investing in our infrastructure and educational and athletic facilities has paid off. We have a Double A bond rating, our taxes are reasonable and stable, our municipal services are second to none, our streets are clean, our neighborhoods are safe, and our home values keep increasing by levels that outpace those of neighboring towns. I could have never dreamed when I first ran for Mayor, that Wood-Ridge would have homes selling for 800 and 900 thousand dollars on a regular basis, that we would be attracting new residents from all over New Jersey and New York, and that our public facilities and services would be considered to be amongst the best in Bergen County.

I want to thank the Members of the Borough Council and all of the Borough Officials, Employees, and Volunteers for everything you do to keep our town running so smoothly. Wood-Ridge has a reputation for outstanding services and responsive customer service because of your hard work and dedication. Not a day goes by that I'm not stopped by residents who tell me how much they love Wood-Ridge, or how good our town looks, or how wonderful our services are, or how dedicated our employees and volunteers are. I say to anyone who criticizes our town or the services we provide or the government we run – get a newspaper or go on-line and read about the turmoil and disfunction that goes on in many other towns on a regular basis. It doesn't happen in Wood-Ridge because we have strong leadership, we have excellent employees and volunteers, and we run a tight ship. I say to the critics, if you aren't happy in Wood-Ridge, then you won't be happy anywhere.

Serving as Mayor of Wood-Ridge has been the greatest honor of my life. I love being Mayor of the town I was born and raised in. I take pride in the fact that my sons attended the same schools and participated in the same recreation programs that I did. I wake up every day with the same energy, enthusiasm, and excitement that I did when I was first elected Mayor. I sincerely thank the voters of Wood-Ridge for supporting me and entrusting me with this privilege for so many years.

And so today, I proudly announce that I will be running for re-election as Mayor this year. I look forward to running on my record of stabilizing taxes, putting our town on a strong financial footing, rebuilding our infrastructure, investing in our schools and athletic facilities, and keeping our streets clean, our neighborhoods safe, and our home values strong. I pledge to continue to work hard every day to preserve what we have achieved and to strive to accomplish much more.

Minutes of the Reorganization Meeting of January 1, 2023

I have 3 major goals for my next term as Mayor. The first is to expand our school facilities to increase the number of classrooms and reduce class sizes in the elementary grades. The second is to secure the closure and demolition of the old and decrepit NJ Transit Maintenance Facility and replace it with acres of beautiful open space and parkland for our residents to enjoy. And the third is to see the blighted and obsolete Curtiss Wright factory complex gutted and transformed into an attractive and modern high-tech logistics center that will be a highly productive ratable for our community for years to come.

Wood-Ridge is a great town and it keeps getting better. But success doesn't happen by accident. Keeping a community prosperous and well managed requires a lot of skill, a lot of planning, and a lot of attention to details. Not everyone is up to the task; talk is cheap, but performance separates winners from losers. Our administration has proven itself time and again and has kept Wood-Ridge in the winning column for the past two decades.

I'm ready for the challenge and I look forward to building on our accomplishments and leading our town to the next level of success and prosperity. God willing, and with the continued support of the residents of Wood-Ridge and the team that we have assembled, I look forward to leading Wood-Ridge for many years to come.

Thank you and God Bless the Borough of Wood-Ridge.

Mayor Sarlo read the following and presented Ann and Bob Riccardella with plaques for their service to the community:

He was Branch Manager and Regional Manager of the NJ Motor Vehicle Commission, Chief of Staff to the Bergen County Executive, Executive Director of the Bergen County Ambulance Authority, Commissioner of the NJ State Parole Board and Chairman of the Wood-Ridge Democratic Municipal Committee.

Thank you for your 30 years of service to the community.
