*Minutes of the 1927<sup>th</sup> Regular Meeting of August 20, 2025*

Date of Audit Report: December 31, 2024  
Date Report is Received: August 20, 2025  
Finding Number: 1

Description: It is recommended that the Borough's purchasing procedures be reviewed and enhanced to ensure that all contract awards and purchases comply with the requirements of the Local Public Contracts Law. In addition, the Borough's purchase orders contain the required approval and vendor certifications.

Corrective Action: Responsible staff will more actively monitor expenditure and vendor history, including those made via cooperative purchasing agreements or state contracts, to ensure compliance with the Local Public Contracts Law and with new laws and regulations regarding vendor certifications.

Implementation Date: Ongoing

Finding Number: 2

Description: Internal control procedures within the Recreation Department be reviewed to ensure the practice of paying sports referees and officials by cash be discontinued and all payments be made by a Borough issued check. Athletic equipment and supplies be procured through the Borough's purchasing procedures in accordance with Borough policies. Amounts collected by the department be reconciled with the Borough's financial accounting records on a monthly basis.

Corrective Action: Management will review existing procedures and implement training and new procedures to achieve compliance.

Implementation Date: Ongoing

Finding Number: 3

Description: Overtime sheets remitted to the Finance Department be approved by a supervisory individual.

Corrective Action: Management notes that an electronic timecard app was implemented with a third-party vendor for DPW employees. Continued flaws with the app resulted in the Borough discontinuing use of the app and reverting to paper overtime sheets. Supervisory personnel reviewed and approved all overtime but the app did not record said approvals due to a technical error on the part of the vendor. The Overtime Sheets implemented to replace the app did not have a signature line for a supervisor's signature despite the fact that supervisory personnel did in fact review and approve all overtime. The Overtime Sheets have been updated to include a supervisor approval signature line.

Implementation Date: Ongoing
